A few of us from our family will be in Auckland listening to Celine Dion at her concert this weekend. As I have been getting excited about it this week in the lead up I have been listening and admiring the gift of singing she has been given and how she has practised and rehearsed the gift she has been given so she can share it. It's got me thinking about gifts that I have been given by God and how and if I am using them wisely for His purposes.

Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms. If anyone speaks, they should do so as one who speaks the very words of God. If anyone serves, they should do so with the strength God provides, so that in all things God may be praised through Jesus Christ. 1 Peter 4:10-11

How are you using your gifts?

 August to see this registration completed so that the team can start to do the
